INTRODUCTION

Moses Civils provides an array of construction services to both the Private and Public Sectors, which include Turnkey Solutions (Design & Construct).

FOUNDER AND MANAGING DIRECTOR

Wayne Moses received and served his Civil Engineering apprenticeship with Haw & Inglis, working on large scale national road projects in the Eastern Cape, South Africa.

Later, returning to the Western Cape he worked for Martin & East whilst completing a Bachelor's Degree in Civil Engineering (BTech Eng). During this time Wayne became a shareholder of Isidima Civils, a subsidiary of Martin & East.

Moses Civils was founded in 2006 and Wayne has been serving as Managing Director ever since.
